

End-of-Life Announcement for Fortress® ES Software Versions 5.1 through 5.3

July 11, 2016

Summary

General Dynamics Mission Systems announces the End-of-Life (EoL) for the Fortress ES software versions 5.1, 5.2 and 5.3, effective immediately. General Dynamics will continue to provide technical Help Desk support and honor all currently active warranty and maintenance agreements, but customers may be required to upgrade to software release 5.4 or later.

End-of-Life Schedule

The following table shows the milestones and definitions of the EoL schedule.

Milestone	Definition	Date
EoL announcement	Effective immediately, the affected software releases will no longer be available for sale, and software updates will no longer be available.	July 11, 2016
End of support	Effectively immediately, technical support and maintenance will no longer be available for these software versions.	July 11, 2016
