	VIPFXRR	Fixed Rate Repair – Sectéra and TalkSECURE vPer ⁴	N/A	\$900

Prices for Foreign Governments purchasing direct are equal to IDIQ prices. Prices are subject to change.

¹ All vPer models are PSTN, IP and Fiber capable. All vPer models include: (1) VoIP chassis with adjustable foot stand, (2) Ethernet cables, (1) power supply and cable, user manual and 2 year warranty. In addition, "PT" models include (1) Push-to-talk (PTT) handset with coiled cord. "MDM" models include (1) PSTN Connect adapter and (1) RJ-11 cable. To connect to a fiber network, a fiber cable is required (see VIPFBRC01). ² Customer must provide the serial number of replacement unit (STE, SWT or vPer) at the time of ordering and agrees to submit destruction letters to GD within 180 days of vPer shipment. Customer shall be responsible for payment of the Trade-in Differential (P/N: VIP/TPD) in the event of non-compliance with these trade-in terms and time periods. ³ Offer is not valid with any other promotional discount. ⁴ One-time fixed price repair includes a 90-day workmanship/material warranty for the repair service performed.

Submit contract/purchase order to the following contracting address:

General Dynamics Mission Systems Phone: 781-410-9400
8201 East McDowell Road, MD R3112 Fax: 781-410-9863
Scottsdale, AZ 85257
Email: infosec@gd-ms.com

Purchase Order remittance address: Must be on Purchase Order if applicable / Payment submission only.

General Dynamics Mission Systems TIN: 45-0484950
c/o PNC Bank, N.A. DUNS: 787800114
P.O. Box 640232 Cage Code: 1VPW8
Pittsburgh PA 15264-0232

Purchase Order Requirements

Submit hard copy contract/purchase order via mail, email, or fax, to include the following items.

1. Authorized signature.
2. Issued By, Billing and Ship-To address. For COMSEC purchases, see requirements below.
3. Tax resale certificate (if applicable).
4. Part number, description of item, unit price.

Credit card Requirements - Government IMPAC card / VISA, Master Card, American Express

1. Card Number, plus the 3 (VISA/MC) or 4 (AMEX) code found on the back/front of the card.
2. Name as it appears on the card.
3. Telephone number of card holder.
4. Expiration date.
5. Include information under Purchase Order Requirements, items 2 – 4.

Terms of Sale

1. All purchases are subject to the then current General Dynamics applicable Standard Terms and Conditions of Sale.

COMSEC Requirements

1. Sectéra units must ship to an approved COMSEC address or if applicable, a DODAAC PBO address. Provide a valid address, to include account, Custodian's name, and telephone number. Note additional Mark-For information separately if needed.
2. End User and/or U.S. Government contract number must be noted on the purchase order.

On any resultant order, General Dynamics will request agency approval prior to shipment of these items. Items cannot ship until approval is granted.

Personal Identification Numbers (PIN) Sheets are shipped under separate cover, U.S. Postal Service Priority Mail. If the address is different than that provided for hardware, provide the USPS address in the order. The COMSEC custodian's email address or fax number may be used in lieu of the address for the PIN Sheet(s).

Military Interdepartmental Purchase Requests (MIPR): Contact agency Business at (410) 854-6851 for instructions on submitting MIPRs or visit the government sponsored site at www.iad.gov/securephone to download MIPR instructions.

Note - Each Sectéra vPer phone, soft phone, or other end point system that connects to a Cisco Unified Communications Manager (CUCM) 7.1(5) or 8.0 requires a license to authorize such connection to the CUCM (a "User Connect License (UCL)" formerly, "Device License"). The User Connect License must be purchased from Cisco (or authorized resellers) in the form an Enhanced User License or, if the device includes video, a Desktop Video License. An Adjunct License is required for each additional device assigned to the same user or deployed in one hotel guest room. Please contact Cisco for more information.
