

21-017 – Radio Network Design Services

Title	Radio Network Design Services
Description	<p>General Dynamics Mission Systems is seeking radio network design services to provide a solution for gaps at a customer building. The supplier will need to:</p> <ul style="list-style-type: none"> • Provide secret-level clearance personnel to assist in resolving all communication issues within a multi-level building. The resolution must be within a specific power and frequency range. • Review the results of a previous survey and provide prioritized recommendations to reach full radio coverage within the building. • Provide a brief for submission to the customer for formal approval to proceed with the project. The brief should include analysis of gaps in coverage with prioritized options for enhancements. • Coordinate with manufacturers and/or vendors for a material estimate and installation, as well as provide a cost analysis for resolving all communication issues by prioritized locations. • Provide an estimated timeline of the installation by location. • Provide an estimated timeline to conduct local measurement testing after installation to ensure the equipment follows ordnance safety requirements. <p>A Non-Disclosure Agreement will be required. Employees must be U.S. Citizens. Suppliers need to be compliant with all 110 NIST cybersecurity requirements as called out by DFAR 252.204-7012.</p> <p><u>Interested parties should email a response including:</u></p> <ul style="list-style-type: none"> • Synopsis of company capabilities and process • Contact for a Non-Disclosure Agreement • DUNS Number and/or CAGE Code • Answers to the below questions <ol style="list-style-type: none"> 1. Is there an evaluation cost? 2. Secret clearance is required for the building. Do you have personnel with secret-level clearance? 3. Are you compliant to all 110 NIST cybersecurity requirements? 4. Is your company located <u>outside</u> of the United States? 5. Does your company intend to utilize non-U.S. facilities to perform any activity required by this TechScout? 6. Does your company expect to utilize foreign nationals in any capacity in support of this TechScout? <p><i>If you answered "YES" to questions 4, 5 or 6, then:</i></p> <ol style="list-style-type: none"> 7. Are you registered with the Directorate of Defense Trade Controls at the U.S. Department of State as a manufacturer or exporter of defense articles and services? 8. Do you have an Export Control Program and resources that address U.S. export control regulations (i.e. EAR and ITAR) that may affect your business? <p><u>Selected</u> companies will receive an NDA, additional requirements and request for proposal.</p>
