GENERAL PROVISIONS – FIXED PRICE CONTRACT
U.S. GOVERNMENT CONTRACT

1. Definitions. As used throughout this Contract, including provisions incorporated by reference, the following terms shall have the meaning set forth below:

(a) “Buyer” means General Dynamics C4 Systems, Inc., the legal entity issuing this order.
(b) “Buyer’s Authorized Procurement Representative” means the authorized Purchasing Agent, Subcontract Manager, or Contract Manager representing Buyer.
(c) “Contract” means the Contractual instrument (e.g. Agreement, Purchase Order or Subcontract) into which these General Provisions are incorporated.
(d) “Contractor” means “Seller”.
(e) “Goods” means supplies or services provided by Seller.
(f) “Government” means the Government of the United States of America.
(g) “Seller” means the person, firm or corporation executing this Contract with Buyer and which will furnish the Goods provided for herein.

2. Formation of Contract. This is Buyer’s offer to purchase the Goods described in this Contract. Acceptance is strictly limited to the terms and conditions included in this document. Buyer objects to, and is not bound by, any term or condition that differs from or adds to this offer, unless specifically agreed to in writing by Buyer’s Authorized Procurement Representative. Seller’s acceptance of this offer shall be evidenced by commencement of performance or by acceptance of this offer in writing.

3. Changes. Buyer’s Authorized Procurement Representative may, in writing, direct changes in: (i) drawings, designs and specifications, to include technical requirements and descriptions included in the statement of work, (ii) reasonable adjustments in quantities and/or delivery schedules, (iii) place of delivery, inspection or acceptance, (iv) shipment or packing methods, (v) amount of Buyer-furnished property; and, if this Contract includes services, (vi) description of services, place, and / or time of performance of the services, within the general scope of this Contract. If the Buyer’s Authorized Procurement Representative directed change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the directed change, Seller must assert any claim in writing within twenty-five (25) days and deliver a fully supported proposal to Buyer’s Authorized Procurement Representative within sixty (60) days after Seller’s receipt of such a directed change. Buyer and Seller shall negotiate an equitable adjustment in the price and / or schedule to reflect the increase or decrease. Failure of the parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer’s direction. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the article of this contract entitled “Dispute Resolution.” Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller’s proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Seller shall use its best efforts to mitigate damages by attempting to sell obsolete or excess supplies to other customers.

Buyer’s engineering and technical personnel may from time to time render assistance or give technical advice to, or discuss or affect an exchange of information with the Seller’s personnel concerning the work hereunder. Such actions shall not be deemed to be a change under this article and shall not vest Seller with authority to change the work hereunder. In the event Seller receives an instruction, order, or advice that Seller deems to be a change from anyone other than Buyer’s Authorized Procurement Representative, Seller shall immediately advise Buyer’s Authorized Procurement Representative of that instruction, order, or advice. Seller shall not be entitled to any adjustment of the contract price, delivery schedule or other contract provisions because of actions taken by the Seller pursuant to said instruction, order or advice without a written Purchase Order Revision, Change Order, or Supplemental Agreement to this Contract issued by Buyer’s Authorized Procurement Representative.

The Seller shall not make any changes in the work or end items (including assemblies, subassemblies, parts and components thereof) that do not conform to the requirements of this contract without the prior written consent of Buyer. Seller may prescribe a procedure for the reporting and approval of changes initiated by the Seller.
4. Rights and Use of Proprietary Information and Materials. All (a) proprietary and/or trade secret information; (b) tangible items containing, conveying or embodying such information; and (c) tooling identified as being subject to this clause and obtained, directly or indirectly, from Buyer in connection with this Contract that are clearly marked as “Proprietary” (collectively referred to as “Proprietary Information and Materials”) shall remain Buyer’s property and shall be protected from unauthorized use and disclosure.

Seller shall use Proprietary Information and Materials only in the performance of and for the purpose of this Contract. The restrictions on disclosure or use of Proprietary Information and Materials by Seller shall apply to all materials derived by Seller or others from Buyer’s Proprietary Information and Materials.

Upon the completion, termination, or cancellation of this Contract, or upon Buyer’s request at any time, Seller shall return to Buyer all of Buyer’s Proprietary Information and Materials and all materials derived therefrom, unless specifically directed otherwise in writing by Buyer. Seller shall not, without the prior written authorization of Buyer, sell or otherwise dispose of (as scrap or otherwise) any parts or other materials containing, conveying, embodying or made in accordance with or by reference to any Proprietary Information and Materials of Buyer. Prior to disposing of such parts or other materials as scrap, Seller shall render them unusable. Buyer shall have the right to audit Seller’s compliance with this article.

Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors as required for the performance of this Contract, provided that each such subcontractor first agrees in writing to the same obligations imposed upon Seller under this article relating to Proprietary Information and Materials. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.

The provisions of this article are effective in lieu of any restrictive legends or notices applied to Proprietary Information and Materials. The provisions of this article shall survive the performance, completion, termination, or cancellation of this Contract for a period of two (2) years.

5. Work Performed on Buyer Premises or on Premises of Buyer’s Customer(s) or Access to Buyer’s Information Systems –

a) If this Agreement involves work by Seller on the premises of Buyer or Buyer’s Customer(s), Seller shall comply with and take all precautions required by any safety and security regulations and Buyer internal policies or procedures to prevent the occurrence of any injury to person or property during the performance and progress of such Work. Seller shall promptly notify Buyer of any such injury or damage. In addition to any other indemnification obligations in this Agreement, Seller hereby assumes entire responsibility and liability for any and all damage or injury of any kind or nature whatsoever to all persons, whether employees of Seller, or otherwise, and to all property, caused by, resulting from, or arising out of Seller’s negligence or that of its agents or employees when performing work on the premises of Buyer or Buyer’s Customer(s).

b) Seller shall at all times enforce strict discipline and good conduct among its employees, and shall not employ in connection with the services covered by this Agreement any unqualified or unfit person or anyone not skilled in the work assigned to him or her. Seller also agrees that any employee, subcontractor, or agent provided under this Agreement to Buyer will abide by and perform in accordance with the employment policies of Buyer, which address mandatory internal dispute resolution of all covered claims, sexual and other unlawful harassment, drug and alcohol abuse, and equal employment opportunity. Seller shall indemnify and hold Buyer harmless against any liability arising from a violation of such policies by Seller's employee, subcontractor, or agent. In addition to any other remedies available to Buyer, Buyer may, without notice and an opportunity to cure, expel from its property/worksite, or the property or worksite of Buyer’s Customer(s), any employee, subcontractor or agent of Seller found violating any Buyer policy.

c) Seller must receive written permission from Buyer or Buyer’s Customer(s) before storing any materials upon the premises or constructing any temporary workshop or other apparatus on the premises. Seller agrees to keep the premises free from accumulations of waste material or rubbish caused by its employees, subcontractors, or agents during performance, and at the completion of performance, Seller shall remove from the premises all rubbish, implements, and surplus materials and leave the premises broom clean, unless otherwise instructed by Buyer or Buyer’s Customer(s). Seller shall properly store all loose tools and materials.

d) Prior to Buyer issuing any “No-Escort” badges to Seller’s employees performing work in the operating areas of Buyer’s premises or facilities for a period of 45 days or more within a 365 day period, or having any access to Buyer computer information systems for any period of time, Seller, shall, at its own expense, obtain a
Background Investigation (BI) on the Seller’s employee in accordance with standards established by Buyer’s Security Organization.

6. Warranty. Seller warrants that all Goods furnished under this Contract shall conform at time of delivery to all specifications and requirements of this Contract and shall be free from defects in materials and workmanship. To the extent Goods are not manufactured pursuant to detailed designs and specifications furnished by Buyer, the Goods shall be free from design and specification defects. This warranty shall survive inspection, test, acceptance of, and payment for the Goods. This warranty extends to Buyer and its successors, assigns and customers. Such warranty shall begin with Buyer’s final acceptance and run for a period of one year. Unless otherwise provided in this Contract, at Buyer’s option, Buyer may (i) return the defective goods for credit or refund or (ii) direct Seller to promptly repair or replace defective goods, or (iii) repair or replace the defective goods using Buyer’s employees or third parties and recover the cost of such repair or replacement from Seller. Return to Seller of defective Goods and redelivery to Buyer of corrected or replaced Goods shall be at Seller’s expense. Goods required to be corrected or replaced shall be subject to this article in the same manner and to the same extent as Goods originally delivered under this Contract, but only as to the corrected or replaced part or parts thereof. Even if the parties disagree about the existence of a breach of this warranty, Seller shall promptly comply with Buyer’s direction to: (i) repair, rework or replace the Goods, or (ii) furnish any materials or parts and installation instructions required to successfully correct the defect or nonconformance. If the parties later determine that Seller did not breach this warranty, the parties shall equitably adjust the Contract price.

7. Schedule. Seller shall strictly adhere to the shipment or delivery schedules specified in this Contract. Failure of the Seller to meet shipment or delivery schedules may be grounds for default termination. In the event of any anticipated or actual delay, Seller shall: (i) promptly notify Buyer in writing of the reasons for the delay and the actions being taken to overcome or minimize the delay; (ii) provide Buyer with a written recovery schedule; and (iii), if requested by Buyer, ship via air or expedited routing to avoid or minimize delay to the maximum extent possible, unless Seller is excused from prompt performance as provided in the “Force Majeure” clause. The added premium transportation costs are to be borne by Seller.

Seller shall not deliver Goods prior to the scheduled delivery dates unless authorized by Buyer.

8. Inspection/Quality Control. Seller shall establish and maintain a Quality assurance system that is acceptable to Buyer and complies with the Contract’s requirements, including Purchase Order notes and the Statement of work.

9. Seller Notice of Discrepancies. Seller shall immediately notify Buyer in writing when discrepancies in Seller’s process, materials, or approved inspection/quality control system are discovered or suspected which may materially affect the Goods delivered or to be delivered under this Contract.

10. Plant Visits. During performance of this contract, authorized representatives of Buyer, Buyer’s customer, or the Government shall have the right to visit Contractor’s facilities involved in the performance hereunder at any time during normal business hours to review, monitor, coordinate or expedite performance and to secure necessary information for such purposes. Such visits will be coordinated with Contractor’s cognizant personnel to minimize any effect on Contractor’s normal operations.

11. Packing and Shipping. All delivered supplies shall be preserved, packaged, packed and marked in accordance with instructions or specifications referred to or incorporated by reference in this Contract. In the absence of such instructions or specifications, for domestic shipments, the shipment shall be made FOB (Buyer’s Facility) utilizing best commercial practice adequate (i) to assure safe arrival at destination; (ii) for storage and for protection against the elements and transportation, (iii) to comply with carrier regulations appropriate to the method of shipment used, and (iv) to secure lowest transportation cost.

All shipments against this Contract to be forwarded on one day via the same route must be consolidated. A packing list, showing Buyer’s purchase order/subcontract number, Contract item number and description of contents must be included in each package. Buyer’s purchase order/subcontract number must appear on all packages, boxes, bills of lading, invoices, correspondence and other documents pertaining to this Contract. The Government Contract number shown in the Schedule must appear on all of the Contractor’s purchase orders and subcontracts hereunder.
If Contractor’s deliveries fail to meet schedule, Contractor at its expense will use an expedited method of shipment requested and specified by Buyer until all deficiencies are corrected and deliveries are on schedule. See FAR 52.246-2 “Inspection of Supplies – Fixed Price” and FAR 52.246-4 “Inspection of Services – Fixed Price” for additional requirements.

12. **Acceptance and/or Rejection.** Buyer shall accept the Goods or give Seller notice of rejection within thirty (30) days after delivery, notwithstanding any payment or prior test or inspection. No inspection, test, delay, or failure to inspect/test or failure to discover any defect or other nonconformance shall relieve Seller of any of its obligations under this Contract or impair any rights or remedies of Buyer or Buyer’s customers. Buyer may revoke acceptance of Goods if the Goods are not conforming and if Buyer’s acceptance was reasonably induced either by the difficulty of discovery before acceptance or by the Seller’s assurances.

If Seller delivers nonconforming Goods, Buyer may require Seller to promptly correct or re-perform the nonconforming Goods. Redelivery to Buyer of any corrected or re-perform Goods shall be at Seller’s expense. In addition, Buyer may at its sole option (i) correct the nonconforming Goods, or (ii) obtain replacement Goods from another source at Seller’s expense, and reduce the Contract price by the costs to correct or obtain replacement. Seller shall disclose any corrective action taken. All repair, replacement and other correction and redelivery shall be completed within the original delivery schedule or such later time as Buyer’s Authorized Procurement Representative may reasonably direct.

All costs and expenses and loss of value incurred as a result of or in connection with nonconformance and repair, replacement or other correction may be recovered from Seller by equitable price reduction or credit against any amounts that may be owed to Seller under this Contract or otherwise.

13. **Suspension of Work.** Buyer’s Authorized Procurement Representative may, by written order only, suspend part or all of the work to be performed under this Contract for a period not to exceed ninety (90) calendar days unless the parties mutually agree to an extension. Within this ninety (90) day period of work suspension, the Buyer shall (i) cancel the suspension of work order; (ii) terminate this Contract in accordance with the “Termination for Convenience” article of this Contract; (iii) terminate this Contract in accordance with the “Termination for Default” article of this Contract; or (iv) extend the stop work period. If the Buyer cancels the suspension of work order by written notification, Seller shall resume work. The Buyer and Seller shall negotiate an equitable adjustment in the price or schedule or both if (i) the suspension results in a change in Seller’s cost of performance or ability to meet the Contract delivery schedule; and (ii) Seller submits a claim for adjustment within twenty (20) days after the suspension is canceled.

If this Contract is terminated, then either the “Termination for Convenience” or the “Termination for Default” article of this Contract, whichever is applicable, shall be followed.

14. **Termination**

14.1 **Termination for Convenience.** Buyer may terminate all or any part of this Contract by written notice to Seller. In the event of such termination, Seller shall immediately cease all work terminated hereunder and cause any and all of its suppliers and subcontractors to cease work. Seller must submit all claims within sixty (60) days after the effective date of termination. Buyer shall determine the amount due Seller on the Termination in accordance with FAR 52.249-2. In no event shall Buyer be obligated to pay Seller any amount in excess of the Contract price. Seller shall continue work not terminated.

14.2 **Termination for Default.** Buyer may terminate all or any part of this Contract by written notice to Seller if: (i) Seller fails to deliver the Goods within the time specified by this Contract or any written extension; (ii) Seller fails to perform any other provision of this Contract or fails to make progress, so as to endanger performance of this Contract, and, in either of these two circumstances, does not cure the failure within ten (10) days after receipt of notice from Buyer specifying the failure; or (iii) in the event Seller declares bankruptcy, suspension its business operation, or initiates any reorganization and/or arrangement for the benefit of its creditors. Seller shall continue work not terminated. Responsibilities of the Parties following such termination shall be in accordance with FAR clause 52.249-8.
15. **Invoice and Payment.** Payment of the Contract price or any portion thereof for Goods delivered shall not constitute acceptance. Buyer shall pay for all Goods within forty-five (45) days from (1) the date Goods are received if Seller is on the “Pay From Receipt Program” or (2) the date of a receipt of an acceptable invoice if later unless the Parties agree to a cash discount. In the event of early-unauthorized delivery of Goods by Seller, payment shall be computed from the scheduled delivery date, including discount periods. Buyer may pay Seller by electronic funds transfer (EFT) or by check unless otherwise stated in the Contract. Seller shall provide Buyer with its EFT information. Payment is made on the day Buyer gives instructions to execute payment, or the date Buyer’s check is deposited into the U.S. mail, or payment is otherwise tendered. Seller shall promptly repay to Buyer any amounts paid in excess of amounts due Seller.

16. **Taxes.** The prices invoiced under this Contract include, and Seller is liable for and shall pay, all taxes, impositions, charges and exactions imposed on or measured by this Contract except for applicable sales and use taxes that are separately stated on Seller’s invoice. Prices shall not include any taxes, impositions, charges or exactions for which Buyer has furnished a valid exemption certificate or other evidence of exemption.

17. **Discontinuance of Manufacture.** Should Seller decide to discontinue manufacture of the supplies purchased by Buyer under this contract, Seller: (1) shall provide written notice to Buyer of the intended supply discontinuance; and (2) shall provide Buyer a minimum of twelve (12) months from the written notification date to allow Buyer to place final “lifetime buy” purchase orders for the supplies at a unit price to be negotiated, but in no event higher than the unit price provided in this contract. In the event one or more “lifetime buy” purchase orders are made during such twelve (12) month period, Seller shall deliver the purchased supplies to Buyer no later than six (6) months after the end of the “lifetime buy” period. Seller’s obligations under this clause shall extend for two (2) years beyond the effective date of this Contract, irrespective of whether the contract is completed/terminated within the two (2) year period.

18. **Governing Law and Venue.** This Contract shall be interpreted using the law of federal government contracts as determined by agency Boards of Contract Appeals and Federal Courts. In the absence of such applicable Federal law, this Contract shall be interpreted using the law of the State of Arizona without resort to Arizona’s conflict of laws rules. Venue shall be in a court of competent jurisdiction in Maricopa County within the State of Arizona.

19. **Compliance with Applicable Laws.**

**Federal, State, and Local.** Seller agrees to comply with all applicable laws, orders, rules, regulations, and ordinances. Seller shall procure all licenses/permits, pay all fees, and other required charges and shall comply with all applicable guidelines and directives of any local, state, and/or federal governmental authority.

**Export and National Security Laws.** Seller shall not export, directly or indirectly, any hardware, software, technology, information or technical data disclosed under this Contract to any individual or country for which the U.S. Government requires an export license or other government approval, without first obtaining such license or approval.

Seller further understands that Buyer is a defense contractor providing work for the United States Government, and as such, is under certain mandatory security obligations with regard to access to its facilities and technology. Due to the fact that disclosure of certain information to any individual may be deemed an export. Seller agrees that it will not assign any worker to perform services under this Agreement (including the Seller him/herself) unless that person qualifies as a “U.S. person,” defined as:

i. U.S. citizen;
ii. U.S. nationals, including an alien lawfully admitted for permanent resident (those possessing a valid Form I-550 or “green card”);
iii. Alien admitted following a 1986 amnesty statute;
iv. Asylee or refugee as defined in 8 U.S.C. 1324(b)(a)(3); or
v. Alien lawfully admitted for temporary agricultural employment.
Seller further agrees that, should Buyer determine that the work performed under this Agreement will enable persons working for the Seller (including the Seller) to have access to unclassified information that relates to a U.S. Government classified program, or other information regulated by the National Industrial Security Program Operating Manual ("NISPOM"), Seller will not assign any worker to perform services under this Agreement (including the Seller) unless such persons are citizens of the United States.

In addition to the foregoing requirements, Seller will comply with the Immigration Reform and Control Act of 1986 ("IRCA") and in particular, have all of its workers fill out an I-9 form, verifying their authorization to work in the United States.

**Foreign Corrupt Practices Act and Anti-Bribery Laws.** Seller agrees that in connection with activities under this Agreement it shall not make or promise to make any improper payments, or provide or offer to provide anything of value, directly or indirectly, to government officials or other parties in violation of the Foreign Corrupt Practices Act or other applicable anti-bribery laws.

**Compliance with Office of Federal Contract Compliance Programs ("OFCCP") Rules.** This contractor and subcontractor shall abide by the requirements of 41 CFR 60–300.5(a) and 60–741.5(a). These regulations prohibit discrimination against qualified protected veterans and qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.

**Indemnification.** Seller shall indemnify and hold Buyer harmless for all claims, demands, damages, costs, fines, penalties, attorneys’ fees, and other expenses arising from Seller’s failure to comply with this clause.

**20. Rights and Remedies.** Any failures, delays or forbearances of either party in insisting upon or enforcing any provisions of this Contract, or in exercising any rights or remedies under this Contract, shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect. Except as otherwise limited in this Contract, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the parties may have at law or in equity. If any provision of this Contract is or becomes void or unenforceable by law, the remainder shall be valid and enforceable.

**21. Dispute Resolution.** In the event of any dispute, claim, question, or disagreement arising from or relating to this agreement or the breach thereof, the parties hereto shall attempt to settle the dispute, claim, question, or disagreement. To this effect, the parties shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties. If the parties do not reach such solution (or agree in writing to mediate the dispute) within a period of 30 days, then, upon notice by either party to the other, all disputes, claims, questions, or differences shall be finally settled by arbitration administered by the American Arbitration Association in accordance with the provisions of its Commercial Arbitration Rules and Mediation Procedures. The American Arbitration Association will select one arbitrator to resolve the dispute and the arbitration will be held in Phoenix, Arizona.

Disputes, claims, questions, or disagreement that are based on intellectual property rights (including, but not limited to patent validity and infringement, trademark or copyright infringement, and misuse or disclosure of trade secrets) shall be submitted to a court of competent jurisdiction in the State of Arizona and are not subject to the arbitration procedures mandated by this clause.

The arbitrator will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute.

The arbitrator shall award to the prevailing party, if any, as determined by the arbitrator, all of its costs and fees. "Costs and fees" mean all reasonable pre-award expenses of the arbitration, including the arbitrators' fees, administrative fees, travel expenses, out-of-pocket expenses such as copying and telephone, court costs, witness fees, and attorneys' fees.

The procedures set forth in this Article shall be the sole and exclusive procedures for the resolution of disputes between the parties arising out of or relating to this Agreement; provided, however, that a party may seek a
preliminary injunction or other provisional judicial relief if, in its sole judgment, such action is necessary. Despite such action, the parties will continue to participate in good faith in the procedures specified in this Article. All applicable statutes of limitations and defenses based upon the passage of time shall be tolled while the procedures (including optional mediation) specified in this Article are pending. The parties will take necessary action that is required to effectuate such tolling. Each party is required to continue to perform its obligations under this contract pending resolution of any dispute arising out of the contract unless to do so would be impossible under the circumstances. The requirements of this Article shall not be deemed to constitute a waiver of any right of termination under this contract.

22. **Assignment, Delegation, and Subcontracting.** Seller shall not assign any of its rights or interests in this Contract and/or all or substantially all of its performance of this Contract without Buyer’s prior written consent, which shall not be unreasonably withheld. Seller shall not delegate any of its duties or obligations under this Contract. Seller may assign its right to monies due or to become due. No assignment, delegation or subcontracting by Seller, with or without Buyer’s consent, shall relieve Seller of any of its obligations under this Contract or prejudice any of Buyer’s rights against Seller whether arising before or after the date of any assignment. This article does not limit Seller’s ability to purchase standard commercial supplies or raw materials.

23. **Gratuities.** Seller warrants that neither it nor any of its employees, agents or representatives have offered or given, or will offer or give, any gratuities to Buyer’s employees, agents or representatives for the purpose of securing this Contract or securing favorable treatment under this Contract.

24. **Publicity.** Except as required by law, Seller shall not issue any press release or make any other public statement relating to this Agreement, any work done under this Agreement or any of the transactions contemplated by this Agreement without obtaining the prior written approval of Buyer as to the contents and the manner of presentation and publication of such press release or public statement.

25. **Order of Precedence.** In the event that two or more provisions in this Contract conflict and there is no reasonable interpretation that resolves the conflict in a manner that is consistent with the entire contract, then the parties shall resolve the conflict using the following descending order of precedence: 1) The Purchase Order, including the notes thereto; 2) the special contract provisions, if any; 3) the drawings, specifications, and statement of work; 4) these general provisions; and the Seller’s proposal, if incorporated into this Contract.

26. **Organizational Conflict of Interest.** Seller certifies that to the best of its knowledge performance of this Contract does not constitute an organizational conflict of interest as defined in FAR Part 9.5. If during the course of performance Seller becomes aware of any possible organizational conflict of interest due to its performance or the SOW under this Contract, Seller shall promptly notify Buyer.

27. **Intellectual Property Indemnity.** Seller agrees to not incorporate Seller or third party intellectual property into the work product of this Contract without the express prior written permission of Buyer.

Seller will indemnify, defend and hold harmless Buyer and its customer from all claims, suits, actions, awards, liabilities, damages, costs and attorneys’ fees related to the actual or alleged infringement of any United States or foreign intellectual property right and arising out of the Goods provided by Seller. Buyer and/or its customer will duly notify Seller of any such claim, suit or action; and Seller will, at its own expense, fully defend such claim, suit or action on behalf of indemnitees.

Seller will have no obligation under this article with regard to any infringement arising from (a) Seller's compliance with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (b) use or sale of Goods in combination with other items when such infringement would not have occurred from the use or sale of those Goods solely for the purpose for which they were designed or sold by Seller.

For purposes of this article only, the term Buyer will include the General Dynamics Corporation, all of its subsidiaries, all officers, agents, and employees of Buyer.

28. **Insurance and Indemnification**

Seller’s obligation hereunder is not limited to insurance available to or provide by Seller or any of its suppliers. Seller expressly waives any immunity under industrial insurance, however arising, to the extent of the indemnity set forth in this paragraph.

29. Protection of Property. At all times Seller shall, and ensure that any of Seller's suppliers shall, use suitable precautions to prevent damage to Buyer’s property. If any such property is damaged by the fault or negligence of Seller or any Seller thereof, Seller shall, at no cost to Buyer, promptly and equitably reimburse Buyer for such damage or repair or otherwise make good such property to Buyer’s satisfaction. If Seller fails to do so, Buyer may perform the repairs and recover from Seller the cost thereof.

30. Limitation of Liability. IN ADDITION TO ANY OTHER LIMITATIONS ON BUYER'S LIABILITY SET FORTH HEREIN, IN NO EVENT SHALL BUYER, ITS EMPLOYEES, AGENTS OR REPRESENTATIVES BE LIABLE BY REASON OF BUYER’S BREACH OR TERMINATION OF THIS ORDER OR FOR ANY BUYER ACTS OR OMISSIONS IN CONNECTION WITH THIS ORDER FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUE, LOSS OF DATA, WORK INTERRUPTION, OR ANY CLAIMS OR DEMANDS AGAINST SELLER BY ANY OTHER ENTITY, WHETHER SUCH REMEDY IS SOUGHT IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE. IN NO EVENT SHALL BUYER'S LIABILITY FOR DAMAGES IN ANY CIRCUMSTANCES SET FORTH IN THIS CLAUSE EXCEED THE PRICE PAYABLE FOR THE WORK TO BE PERFORMED BY SELLER UNDER THE ORDER. THIS ORDER SHALL NEITHER CREATE FOR NOR GIVE TO ANY THIRD PARTY ANY CLAIM OR RIGHT OF ACTION AGAINST SELLER OR BUYER WHICH WOULD NOT OTHERWISE ARISE WITHOUT THIS ORDER.
31. **Force Majeure.** Buyer shall not be liable for delay or failure of performance occasioned by causes beyond its control, including, but not limited to, acts of God or the public enemy, actions or decrees of governmental entities, civil unrest, riots, acts of terrorism, organized labor strikes, declared or undeclared war, fire, floods, unusually severe weather, earthquakes, or volcanoes ("Force Majeure Event"). If Buyer is affected by a Force Majeure Event, Buyer shall give written notice to Seller, which shall cause, without penalty to Buyer, all obligations under this Order to be immediately suspended for a period of sixty (60) days. If the period of suspension caused by the Force Majeure Event exceeds that first sixty-day period, Buyer either may terminate the Order for convenience in accord with subparagraph 14 or suspend the Order for an additional period under paragraph 13. Any termination settlement or equitable adjustment sought by Seller following the termination for convenience or suspension may not include any costs incurred during the first sixty-day suspension.

32. **Certification of Authenticity and Traceability.** Seller certifies to Buyer that all material furnished under this purchase order is genuine, new and unused. Seller certifies that all material is traceable to the point of manufacture and that complete material pedigree is known and can be furnished to Buyer upon request. Seller will have a documented procedure that defines the method for controlling records that are created by and/or retained by Seller. The Seller shall notify Buyer thirty (30) calendar days prior to the destruction or disposal of records associated with this order.

33. **Counterfeit Parts Prevention.**

33.1 **DEFINITIONS:**
