

**GENERAL PROVISIONS – FIRM FIXED PRICE PURCHASE ORDER**  
**U. S. Government Contract**

**1.0 Definitions** - As used throughout this Order, including provisions incorporated by reference, the following terms shall have the meaning set forth below:

- (a) “Buyer” means General Dynamics Mission Systems, Inc., the legal entity issuing this order.
- (b) “Buyer’s Authorized Procurement Representative” means the authorized Purchasing Agent, Subcontract Manager, or Contract Manager representing Buyer.
- (c) “Contractor” means “Seller”.
- (d) “Goods” means supplies or services provided by Seller.
- (e) “Government” means the Government of the United States of America.
- (f) “Order” means the contractual instrument (e.g. Agreement, Purchase Order or Subcontract) into which these General Provisions are incorporated.
- (g) “Seller” means the legal entity executing this Order with Buyer and which will furnish the Goods provided for herein.
- (h) “Work” means the subject of this Order, and therefore may include, without limitation, goods (e.g., materials, equipment, products, hardware, software, or information) or services (whether or not ancillary to the sale of goods) or both furnished by Seller to Buyer in performance of and pursuant to this Order.

**2.0 Formation of Order** - This is Buyer’s offer to purchase the Goods described in this Order. Acceptance is strictly limited to the terms and conditions included in this document. Buyer objects to, and is not bound by, any term or condition that differs from or adds to this offer, unless specifically agreed to in writing by Buyer’s Authorized Procurement Representative. Seller’s acceptance of this offer shall be evidenced by commencement of performance or by acceptance of this offer in writing.

**3.0 Changes**

3.1 Buyer’s Authorized Procurement Representative may, in writing, direct changes in: (i) drawings, designs and specifications, to include technical requirements and descriptions included in the Statement of Work, (ii) reasonable adjustments in quantities and/or delivery schedules, (iii) place of delivery, inspection or acceptance, (iv) shipment or packing methods, (v) amount of Buyer-furnished property; and, if this Order includes services, (vi) description of services, place, and / or time of performance of the services, within the general scope of this Order. If the Buyer’s Authorized Procurement Representative directed change causes an increase or decrease in the cost of, or the time required for, performance of any part of the Work under this Order, whether or not changed by the directed change, Seller must assert any claim in writing within twenty-five calendar days and deliver a fully supported proposal to Buyer’s Authorized Procurement Representative within sixty calendar days after Seller’s receipt of such a directed change. Buyer and Seller shall negotiate an equitable adjustment in the price and / or schedule to reflect the increase or decrease. Failure of the parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer’s direction. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of Article 21.0 of this Order entitled “Dispute Resolution.” Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller’s proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Seller shall use its best efforts to mitigate damages by attempting to sell obsolete or excess supplies to other customers.

3.2 Buyer’s engineering and technical personnel may from time-to-time render assistance or give technical advice to, or discuss or affect an exchange of information with the Seller’s personnel concerning the Work hereunder. Such actions shall not be deemed to be a change under this Article 3.0 and shall not vest Seller with authority to change the Work hereunder. In the event Seller receives an instruction, order, or advice that Seller deems to be a change from anyone other than Buyer’s Authorized Procurement Representative, Seller shall immediately advise Buyer’s Authorized Procurement Representative of that instruction, order, or advice. Seller shall not be entitled to any adjustment of the Order price, delivery schedule or other Order provisions because of actions taken by the Seller pursuant to said instruction, order or advice without a written Purchase Order Revision, Change Order, or Supplemental Agreement to this Order issued by Buyer’s Authorized Procurement Representative.

3.3 The Seller shall not make any changes in the Work or end items (including assemblies, subassemblies, parts and components thereof) that do not conform to the requirements of this Order without the prior written consent of Buyer. Seller may prescribe a procedure for the reporting and approval of changes initiated by the Seller.

**4.0 Rights and Use of Proprietary Information and Materials**

4.1 All (a) proprietary and/or trade secret information; (b) tangible items containing, conveying or embodying such information; and (c) tooling identified as being subject to this clause and obtained, directly or indirectly, from Buyer in connection with this Order that are clearly marked as “Proprietary” (collectively referred to as “Proprietary Information and Materials”) shall remain Buyer’s property and shall be protected from unauthorized use and disclosure.

4.2 Seller shall use Proprietary Information and Materials only in the performance of and for the purpose of this Order. The restrictions on disclosure or use of Proprietary Information and Materials by Seller shall apply to all materials derived by Seller or others from Buyer’s Proprietary Information and Materials.

4.3 Upon the completion, termination, or cancellation of this Order, or upon Buyer’s request at any time, Seller shall return to Buyer all of Buyer’s Proprietary Information and Materials and all materials derived therefrom, unless specifically directed otherwise in writing by Buyer. Seller shall not, without the prior written authorization of Buyer, sell or otherwise dispose of (as scrap or otherwise) any parts or other materials containing, conveying, embodying or made in accordance with or by reference to any Proprietary Information and Materials of Buyer. Prior to disposing of such parts or other materials as scrap, Seller shall render them unusable. Buyer shall have the right to audit Seller’s compliance with this Article 4.0.

4.4 Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors as required for the performance of this Order, provided that each such subcontractor first agrees in writing to the same obligations imposed upon Seller under this Article 4.0 relating to Proprietary Information and Materials. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.

4.5 The provisions of this Article 4.0 are effective in lieu of any restrictive legends or notices applied to Proprietary Information and Materials. The provisions of this Article 4.0 shall survive the performance, completion, termination, or cancellation of this Order for a period of two years.

4.6 Nothing herein shall be construed or interpreted to limit or in any way restrict the rights of the government in regard to data, tooling, or designs it owns or has the right to use.

4.7 For as long as a separate non-disclosure agreement (NDA) or similar agreement which addresses the subject matter of this Article 4.0 is in force between Buyer and Seller, such NDA shall control in the case of any conflict between such NDA and Article 4.0 of this Order.

## **5.0 Work Performed on Buyer Premises or on Premises of Buyer’s Customer(s) or Access to Buyer’s Information Systems**

5.1 If this Order involves work by Seller on the premises of Buyer or Buyer’s Customer(s), Seller shall comply with and take all precautions required by any safety and security regulations and Buyer internal policies or procedures to prevent the occurrence of any injury to person or property during the performance and progress of such Work. Seller shall promptly notify Buyer of any such injury or damage. In addition to any other indemnification obligations in this Order, Seller hereby assumes entire responsibility and liability for any and all damage or injury of any kind or nature whatsoever to all persons, whether employees of Seller, or otherwise, and to all property, caused by, resulting from, or arising out of Seller’s negligence or that of its agents or employees when performing Work on the premises of Buyer or Buyer’s Customer(s).

5.2 Seller shall at all times enforce strict discipline and good conduct among its employees, and shall not employ in connection with the services covered by this Order any unqualified or unfit person or anyone not skilled in the Work assigned to him or her. Seller also agrees that any employee, subcontractor, or agent provided under this Order to Buyer will abide by and perform in accordance with the employment policies of Buyer, which address mandatory internal dispute resolution of all covered claims, sexual and other unlawful harassment, drug and alcohol abuse, and equal employment opportunity. Seller shall indemnify and hold Buyer harmless against any liability arising from a violation of such policies by Seller’s employee, subcontractor, or agent. In addition to any other remedies available to Buyer, Buyer may, without notice and an opportunity to cure, expel from its property/worksites, or the property or worksite of Buyer’s Customer(s), any employee, subcontractor or agent of Seller found violating any Buyer policy.

5.3 Seller must receive written permission from Buyer or Buyer’s Customer(s) before storing any materials upon the premises or constructing any temporary workshop or other apparatus on the premises. Seller agrees to keep the premises free from accumulations of waste material or rubbish caused by its employees, subcontractors, or agents during performance, and at the completion of performance, Seller shall remove from the premises all rubbish, implements, and surplus materials and leave the

premises broom clean, unless otherwise instructed by Buyer or Buyer's Customer(s). Seller shall properly store all loose tools and materials.

5.4 Prior to Buyer issuing any "No-Escort" badges to Seller's employees performing Work in the operating areas of Buyer's premises or facilities for a period of 45 days or more within a 365-day period, or having any access to Buyer computer information systems for any period of time, Seller, shall, at its own expense, obtain a Background Investigation (BI) on the Seller's employee in accordance with standards established by Buyer's Security Organization.

5.5 Seller further understands that Buyer is a defense contractor providing Work for the United States Government, and as such, is under certain mandatory security obligations with regard to access to its facilities and technology. Due to the fact that disclosure of certain information to any individual may be deemed an export, Seller agrees that it will not assign any worker to perform services under this Order (including the Seller him or herself) unless that person qualifies as a "U.S. person," defined as:

- i. U.S citizen;
- ii. U.S. nationals, including an alien lawfully admitted for permanent resident (those possessing a valid Form I-551); or
- iii. Asylee or refugee as defined in 8 U.S.C. 1324(b)(a)(3)

## 6.0 Warranty

6.1 Seller warrants that all Goods furnished under this Order shall conform at time of delivery to all specifications and requirements of this Order and shall be free from defects in materials and workmanship. To the extent Goods are not manufactured pursuant to detailed designs and specifications furnished by Buyer, the Goods shall be free from design and specification defects. This warranty shall survive inspection, test, acceptance of, and payment for the Goods. This warranty extends to Buyer and its successors, assigns and customers. Such warranty shall begin with Buyer's final acceptance and run for a period of one year. Unless otherwise provided in this Order, at Buyer's option, Buyer may (i) return the defective goods for credit or refund or (ii) direct Seller to promptly repair or replace defective goods, or (iii) repair or replace the defective goods using Buyer's employees or third parties and recover the cost of such repair or replacement from Seller. Return to Seller of defective Goods and redelivery to Buyer of corrected or replaced Goods shall be at Seller's expense. Goods required to be corrected or replaced shall be subject to this Article 6.0 in the same manner and to the same extent as Goods originally delivered under this Order, but only as to the corrected or replaced part or parts thereof. Even if the parties disagree about the existence of a breach of this warranty, Seller shall promptly comply with Buyer's direction to: (i) repair, rework or replace the Goods, or (ii) furnish any materials or parts and installation instructions required to successfully correct the defect or nonconformance. If the parties later determine that Seller did not breach this warranty, the parties shall equitably adjust the Order price.

6.2 Goods must be in accordance with their stated specifications or GDMS specification and drawing requirements in order to meet product safety requirements. Goods must perform to their designed or intended purpose without causing unacceptable risk of harm to persons or damage to property. Seller shall ensure that its employees are aware of their contribution to product conformity, their contribution to Product safety, and the importance of ethical behavior.

## 7.0 Schedule and Delays

7.1 Time is of the Essence: Seller understands that time is of the essence and Buyer depends upon prompt delivery by Seller at the time specified in the schedules furnished by Buyer in order to comply with Buyer's contractual obligations to third parties. Because time is of the essence, on-time delivery is a material condition of this Order and Seller's failure to perform according to the delivery schedule shall be considered a material breach of this Order.

7.2 Prioritization of Buyer's Deliveries: Seller agrees that except as otherwise required by law or regulation, Buyer's order of Goods hereunder shall take priority over any other order from any other Seller customer placed contemporaneously with or subsequent to this Order. Without limiting the foregoing, Seller also recognizes that for Buyer orders issued under the Defense Priorities and Allocation System ("DPAS"), Seller must fully comply with the regulations applicable to the DPAS rating of Buyer's Order, and that failure to do so could result in criminal penalties assessed against Seller by the US Government, in addition to Buyer's own remedies under this Order.

7.3 Notification of Potential Late Delivery: In the event of a delay or threat of delay, due to any cause, in the production or delivery of Goods hereunder, Seller shall immediately notify Buyer in writing of the delay. Seller's notice shall include all

relevant information with respect to such delay or threatened delay in sufficient detail to identify the cause of the expected delay and Seller's plan for remediating the issue. In addition, Seller shall certify in such notice that the delay is not the result of a reprioritization of Buyer's order in breach of Section 7.2.

7.4 Remedies for Late Delivery: If delivery of the Goods is not made in the quantities and at the time and manner specified, Buyer shall have the right without liability, and in addition to its other rights and remedies under this Order and the law, to take any of the following actions: (1) direct expedited delivery of Goods for which Seller shall bear all premium transportation charges and risk of loss; (2) direct acceleration of Goods for which Seller shall bear all premium labor costs and other acceleration costs; (3) delay payment for a period of time equal to the lateness of such delivery or performance; and/or (4) terminate this Order by written notice effective when received by Seller as to the Goods not yet delivered, and purchase substitute Goods elsewhere and charge Seller with any loss incurred.

7.5 Seller shall comply with the performance schedules but shall not make material or production commitments in advance of such time as Seller reasonably believes is necessary to meet the schedules without Buyer's prior written consent. Except as otherwise expressly provided in the Order, Buyer need not accept any variation in quantity of Service provided by Seller.

7.6 Seller shall not deliver Goods prior to the scheduled delivery dates unless authorized by Buyer.

**8.0 Inspection/Quality Control** - Seller shall establish and maintain a Quality assurance system that is acceptable to Buyer and complies with the Order's requirements, including Purchase Order notes and the Statement of Work.

**9.0 Seller Notice of Discrepancies** - Seller shall immediately notify Buyer in writing when discrepancies in Seller's process, materials, or approved inspection/quality control system are discovered or suspected which may materially affect the Goods delivered or to be delivered under this Order.

**10.0 Plant Visits** - During performance of this Order, authorized representatives of Buyer, Buyer's customer, or the Government shall have the right to visit Contractor's facilities involved in the performance hereunder at any time during normal business hours to review, monitor, coordinate or expedite performance and to secure necessary information for such purposes. Such visits will be coordinated with Contractor's cognizant personnel to minimize any effect on Contractor's normal operations.

## **11.0 Packing and Shipping**

11.1 All delivered supplies shall be preserved, packaged, packed and marked in accordance with instructions or specifications referred to or incorporated by reference in this Order. In the absence of such instructions or specifications, for domestic shipments, the shipment shall be made FOB (Buyer's Facility) utilizing best commercial practice adequate (i) to assure safe arrival at destination; (ii) for storage and for protection against the elements and transportation, (iii) to comply with carrier regulations appropriate to the method of shipment used, and (iv) to secure lowest transportation cost.

11.2 All shipments against this Order to be forwarded on one day via the same route must be consolidated. A packing list, showing Buyer's purchase order/subcontract number, Order item number and description of contents must be included in each package. Buyer's purchase order /subcontract number must appear on all packages, boxes, bills of lading, invoices, correspondence and other documents pertaining to this Order. The Government Contract number shown in the Schedule must appear on all of the Contractor's purchase orders and subcontracts hereunder.

11.3 If Contractor's deliveries fail to meet schedule, Contractor at its expense will use an expedited method of shipment requested and specified by Buyer until all deficiencies are corrected and deliveries are on schedule. See FAR 52.246-2 "Inspection of Supplies – Fixed Price" and FAR 52.246-4 "Inspection of Services – Fixed Price" for additional requirements.

11.4 If this procurement is from a source located outside the United States (including the 50 states and U.S. territories or possessions) or from a U.S. based source with foreign manufacturing locations that will ship directly to Buyer in the United States, such shipments are subject to INCOTERMS 2020 DAP or other mutually agreed upon INCOTERMS Rule.

**12.0 Acceptance and/or Rejection** - Buyer shall accept the Goods or give Seller notice of rejection within thirty calendar days after delivery, notwithstanding any payment or prior test or inspection. No inspection, test, delay, or failure to inspect/test or failure to discover any defect or other nonconformance shall relieve Seller of any of its obligations under this Order or impair any rights or remedies of Buyer or Buyer's customers. Buyer may revoke acceptance of Goods if the Goods are not conforming and if Buyer's acceptance was reasonably induced either by the difficulty of discovery before acceptance or by the Seller's

assurances.

If Seller delivers nonconforming Goods, Buyer may require Seller to promptly correct or re-perform the nonconforming Goods. Redelivery to Buyer of any corrected or re-perform Goods shall be at Seller's expense. In addition, Buyer may at its sole option (i) correct the nonconforming Goods, or (ii) obtain replacement Goods from another source at Seller's expense, and reduce the Order price by the costs to correct or obtain replacement. Seller shall disclose any corrective action taken. All repair, replacement and other correction and redelivery shall be completed within the original delivery schedule or such later time as Buyer's Authorized Procurement Representative may reasonably direct.

All costs and expenses and loss of value incurred as a result of or in connection with nonconformance and repair, replacement or other correction may be recovered from Seller by equitable price reduction or credit against any amounts that may be owed to Seller under this Order or otherwise.

### **13.0 Suspension of Work**

13.1 Buyer's Authorized Procurement Representative may, by written order only, suspend part or all of the Work to be performed under this Order for a period not to exceed ninety calendar days unless the parties mutually agree to an extension. Within this ninety (90) calendar day period of Work suspension, the Buyer shall (i) cancel the suspension of work order; (ii) terminate this Order in accordance with Section 14.1 "Termination for Convenience" of this Order; (iii) terminate this Order in accordance with Section 14.2 "Termination for Default" of this Order; or (iv) extend the stop work period.

13.2 If the Buyer cancels the suspension of Work order by written notification, Seller shall resume Work. The Buyer and Seller shall negotiate an equitable adjustment in the price or schedule or both if (i) the suspension results in a change in Seller's cost of performance or ability to meet the Order delivery schedule; and (ii) Seller submits a claim for adjustment within twenty calendar days after the suspension is canceled.

13.3 If this Order is terminated, then either Section 14.1 "Termination for Convenience" or Section 14.2 "Termination for Default" of this Order, whichever is applicable, shall be followed.

### **14.0 Termination**

14.1 **Termination for Convenience:** Buyer may terminate all or any part of this Order by written notice to Seller. In the event of such termination, Seller shall immediately cease all Work terminated hereunder and cause any and all of its suppliers and subcontractors to cease Work. Seller must submit all claims within sixty (60) calendar days after the effective date of termination. Buyer shall determine the amount due Seller on the termination in accordance with FAR 52.249-2. In no event shall Buyer be obligated to pay Seller any amount in excess of the Order price. Seller shall continue Work not terminated.

14.2 **Termination for Default:** Buyer may terminate all or any part of this Order by written notice to Seller if: (i) Seller fails to deliver the Goods within the time specified by this Order or any written extension; (ii) Seller fails to perform any other provision of this Order or fails to make progress, so as to endanger performance of this Order, and, in either of these two circumstances, does not cure the failure within ten days after receipt of notice from Buyer specifying the failure; or (iii) in the event Seller declares bankruptcy, suspends its business operation, or initiates any reorganization and/or arrangement for the benefit of its creditors. Seller shall continue Work not terminated. Responsibilities of the Parties following such termination shall be in accordance with FAR clause 52.249-8.

14.3 **Effect of Termination:** Upon any termination of this Order in accordance with this Article 14.0:

14.3.1 Seller shall fulfill Buyer's existing orders for Products communicated to Seller where a valid Buyer purchase order has been issued to and accepted by Seller prior to Seller's receipt of Buyer's written notice of termination, unless otherwise directed by Buyer in said notice. Buyer shall have no obligation to Seller for any Products manufactured for Buyer or existing Products allocated for shipment to Buyer after Seller's receipt of the written notice of termination.

14.3.2 In the event of termination, Buyer's sole financial obligation to Seller shall be to pay for any Products delivered to Buyer consistent with the terms of this Order, in which case payment shall be made within sixty calendar days from Buyer's receipt of a valid invoice from Seller. Buyer shall have no obligation to Seller for payment of any costs, fees or expenses relating to its exercise of its termination rights hereunder, including but not limited to termination, restocking, demobilization, or any other manufacturing, logistics or administrative fees of any kind.

14.3.3 All warranties and license rights for any Products delivered to Buyer hereunder shall survive termination or expiration, consistent with the terms of this Order.

14.3.4 The rights and obligations to protect Proprietary Information and Materials disclosed prior to expiration or termination in accordance with the time period set forth in Section 11.1.1 of this Order shall not be affected by the expiration or termination of this Order. Upon expiration or termination of this Order, each Party shall cease all use of Proprietary Information and Materials received hereunder.

14.3.5 Within thirty calendar days following termination or expiration of this Order, Seller shall submit to Buyer an itemized invoice of any fees or expenses theretofore incurred under this Order. Buyer upon payment of accrued amounts so invoiced and accepted shall thereafter have no further liability or obligation to Seller for any further fees, expenses or other payments.

**15.0 Invoice and Payment** - Payment of the Order price or any portion thereof for Goods delivered shall not constitute acceptance. Buyer shall pay for all Goods within sixty calendar days from (1) the date Goods are received if Seller is on the "Pay From Receipt Program" or (2) the date of a receipt of an acceptable invoice if later unless the Parties agree to a cash discount. In the event of early-unauthorized delivery of Goods by Seller, payment shall be computed from the scheduled delivery date, including discount periods. Buyer may pay Seller by electronic funds transfer (EFT) or by check unless otherwise stated in the Order. Seller shall provide Buyer with its EFT information. Payment is made on the day Buyer gives instructions to execute payment, or the date Buyer's check is deposited into the U. S. mail, or payment is otherwise tendered. Seller shall promptly repay to Buyer any amounts paid in excess of amounts due Seller.

**16.0 Taxes** - The prices invoiced under this Order include, and Seller is liable for and shall pay, all taxes, impositions, charges and exactions imposed on or measured by this Order except for applicable sales and use taxes that are separately stated on Seller's invoice. Prices shall not include any taxes, impositions, charges or exactions for which Buyer has furnished a valid exemption certificate or other evidence of exemption.

**17.0 Discontinuance of Manufacture** - Should Seller decide to discontinue manufacture of the supplies purchased by Buyer under this Order, Seller: (1) shall provide written notice to Buyer of the intended supply discontinuance; and (2) shall provide Buyer a minimum of twelve months from the written notification date to allow Buyer to place final "lifetime buy" purchase orders for the supplies at a unit price to be negotiated, but in no event higher than the unit price provided in this Order. In the event one or more "lifetime buy" purchase orders are made during such twelve-month period; Seller shall deliver the purchased supplies to Buyer no later than six months after the end of the "lifetime buy" period. Seller's obligations under this clause shall extend for two years beyond the effective date of this Order, irrespective of whether the Order is completed/terminated within the two-year period.

**18.0 Governing Law and Venue** - Buyer and Seller agree that this Order shall be deemed to have been executed and delivered within the State of New York and the rights and obligations of the Parties shall be construed and enforced in accordance with, and governed by the laws of the State of New York without regard to conflict of laws rules. The United Nations Convention on the International Sale of Goods shall not apply. All claims or disputes arising under or in any way related to this Order, including those relating to the validity of this Order, which cannot be resolved by the Parties through negotiations within thirty calendar days or such longer period of time as may be mutually agreed in a written document that is signed by a duly authorized representative of each Party shall be resolved by the state or federal courts. Venue for any action brought under or relating to this Order shall exclusively be in a state or federal court of competent jurisdiction in the State of New York. The parties hereby irrevocably waive any right to challenge such venue on the basis of *forum non convenient* or otherwise. The Parties further agree and consent to accept service of process by certified or registered United States mail, return receipt requested, addressed as provided herein. In the event that an action is commenced by either Party with respect to this Purchase Order, the substantially prevailing Party shall be entitled to recover its costs and attorneys' fees from the other Party. **THE PARTIES HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATING TO THIS ORDER.** Buyer and Seller also agree that the provisions of the New York Uniform Commercial Code shall apply to this Order and all Disputes, regardless of whether the subject matter of this Order relates to the provision of services, the lease of rental equipment or material, or the license of software. Notwithstanding the foregoing or anything herein to the contrary, for matters where the dispute between the Parties is based upon a decision made by the U.S. Government and/or the U.S. Government may become a party to the proceedings, this Order shall be governed by and construed in accordance with United States federal law and the U.S. Federal Courts shall have exclusive jurisdiction over any such claim arising under this Order.

## **19.0 Compliance with Applicable Laws**

19.1 **United States Law:** Seller, at its sole expense, shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations which may be applicable to the Goods and Seller's performance under this Order, including, without limitation, all laws, regulations, and rules related to the safety and conditions of each job site, including but not limited to those promulgated or prescribed pursuant to the Occupational Safety and Health Act of 1970, and any amendment thereto. Seller agrees to comply with any applicable provisions of the Rehabilitation Act of 1973, the Veteran's Readjustment Act of 1974, and implementing regulations of the U.S. Department of Labor, which embody governmental policy on equal employment opportunity. To the extent applicable: **Buyer and Seller shall abide by the requirements of 41 CFR 60–300.5(a) and 60–741.5(a). These regulations prohibit discrimination against qualified protected veterans and qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.** Seller also agrees that in connection with activities under this Order it shall not make or promise to make any improper payments, or provide or offer to provide anything of value, directly or indirectly, to government officials or other parties in violation of the Foreign Corrupt Practices Act or other applicable anti-bribery laws.

19.2 **Foreign Corrupt Practices Act and Anti-Bribery Laws:** Seller agrees to comply with the Foreign Corrupt Practices Act, the UK Bribery Act of 2010, and all applicable anti-bribery laws. Seller specifically represents and warrants that, in connection with the performance of its activities under this Order, neither it, nor anyone acting on its behalf, has or will, directly or indirectly, offer, pay, promise to pay, or authorize the giving of, any money or thing of value to any Government Official or to any person, while knowing that all or a portion of such money or thing of value will be offered, given or promised, directly or indirectly, to a Government Official, for the purpose of influencing any act or decision of such Government Official, including any act or decision to fail to perform his/her lawful duty, or for the purpose of inducing such Government Official to use his/her influence with any government or instrumentality thereof to affect or influence any act or decision of such government or instrumentality to obtain or retain business for any person. "Government Official" means any officer, employee, agent, representative, or any other person acting in an official capacity for or on behalf of a government, government-owned or –controlled entity or instrumentality, public international organization, political party, party official or political candidate.

19.3 **Export and National Security Laws.** Seller shall not export, directly or indirectly, any hardware, software, technology, information or technical data disclosed under this Order to any individual or country for which the U.S. Government requires an export license or other government approval, without first obtaining such license or approval.

Seller further understands that Buyer is a defense contractor providing Work for the United States Government, and as such, is under certain mandatory security obligations with regard to access to its facilities and technology. Due to the fact that disclosure of certain information to any individual may be deemed an export, Seller agrees that it will not assign any worker to perform services under this Order (including the Seller him or herself) unless that person qualifies as a "U.S. person," defined as:

- i. U.S citizen;
- ii. U.S. nationals, including an alien lawfully admitted for permanent resident (those possessing a valid Form I-550 or "green card");
- iii. Alien admitted following a 1986 amnesty statute;
- iv. Asylee or refugee as defined in 8 U.S.C. 1324(b)(a)(3); or
- v. Alien lawfully admitted for temporary agricultural employment.

Seller further agrees that, should Buyer determine that the Work performed under this Order will enable persons working for the Seller (including the Seller) to have access to unclassified information that relates to a U.S. Government classified program, or other information regulated by the National Industrial Security Program Operating Manual ("NISPOM"), Seller will not assign any worker to perform services under this Order (including the Seller) unless such persons are citizens of the United States.

In addition to the foregoing requirements, Seller will comply with the Immigration Reform and Control Act of 1986 ("IRCA") and in particular, have all of its workers fill out an I-9 form, verifying their authorization to work in the United States.

19.4 **Compliance with Office of Federal Contract Compliance Programs ("OFCCP") Rules.** To the extent applicable: **This contractor and subcontractor shall abide by the requirements of 41 CFR 60–300.5(a) and 60–741.5(a). These regulations prohibit discrimination against qualified protected veterans and qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.**

**20.0 Rights and Remedies** - Any failures, delays or forbearances of either party in insisting upon or enforcing any provisions of this Order, or in exercising any rights or remedies under this Order, shall not be construed as a waiver or relinquishment of

any such provisions, rights or remedies; rather, the same shall remain in full force and effect. Except as otherwise limited in this Order, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the parties may have at law or in equity. If any provision of this Order is or becomes void or unenforceable by law, the remainder shall be valid and enforceable.

## 21.0 Dispute Resolution

### 21.1 Disputes under This Order

21.1.1 "Dispute" as used herein shall mean (i) any and all claims or disputes that in any way arise out of or relate to this Order, the negotiation or execution thereof, its performance, or the breach or enforcement thereof; (ii) any claims or disputes that in any way concern the conduct of any party in connection with this Order or the relationship or duties of the parties contemplated under this Order; or (iii) claims or disputes concerning the validity or scope of the terms and conditions of this Order (including, but not limited to, this Article 21.0). Buyer and Seller intend that the definition of "Dispute" shall have the broadest scope permitted by law and that, without limiting the generality of the foregoing, shall be deemed to include all claims between the parties, including, but not limited to, any claims for fraud, misrepresentation, negligence, libel and slander, misuse or theft of trade secrets or other confidential information, unfair competition, unfair trade practices, or other tort law claims.

21.1.2 The parties agree that any Dispute between them or against any agent, employee, successor, or assign of the other shall be settled, to the extent possible by good faith negotiations. Any Dispute which the parties cannot resolve by good faith negotiations within thirty days or such longer period as the parties may mutually agree to shall be submitted and finally resolved by a court of competent jurisdiction.

21.1.3 Until final resolution of any Dispute hereunder, Seller shall proceed diligently with the performance of this Order unless otherwise directed by Buyer in writing.

21.1.4 Buyer's rights under the terms and conditions of this Order are cumulative and in addition to any other rights available at law or equity.

### 21.2 Disputes under Prime Contract Provision
